RESOLUTION APPROVING AN AMENDMENT TO THE COMPENSATION AND BENEFITS PROGRAM FOR UNREPRESENTED MANAGEMENT EMPLOYEES

Honorable Mayor and Council Members:

Summary

The City Manager is recommending Council approval of a proposed amendment to the Performance Based Compensation and Benefits Program for Unrepresented Management Employees (Department Heads), effective July 1, 2007. The proposed amendment adjusts the control point annual salary from -0- to + 7.24% for each of seven Department Head positions based on a survey of the City's comparable labor market cities.

Background

Prior to the implementation of the performance based compensation program in 2005, department head classifications had last received a salary increase in July 2003. During fiscal year 2005, department heads, along with City Council, the City Clerk and the City Treasurer, voluntarily implemented a three percent reduction in compensation as part of the City's cost-savings program. This three percent reduction was restored for all of the effected parties as of July 1, 2005. A flexible benefit/health plan contribution based on the Kaiser family health plan premium was also approved and implemented.

Prior to 2005, department head compensation increases mirrored those provided to the Mid-Management and Confidential Employees Association (MMCEA). In 2005, Council expressed interest in revising the department head compensation program to decouple it from MMCEA and predicate salary increases on the City Manager's evaluation of individual department head job performance. Council also desired a review of the comparison cities included in the labor market salary surveys to determine appropriate compensation ranges. The adopted Compensation program accomplishes the following:

- Separates the department head compensation program from MMCEA Negotiated agreements.
- Redefines the labor market survey agencies for purposes of establishing the annual compensation control point of each department head position to include the seven most comparable cities in San Mateo and Santa Clara counties based on factors such as population, revenue, total budget, total employees, and geographic proximity. Those cities are Burlingame, Foster City, Los Altos, Los Gatos, Menlo Park, Millbrae and San Carlos.
- Eliminates automatic salary step increases and cost of living increases, and bases salary increases (or decreases) entirely on a comprehensive annual written performance evaluation.
- Provides for other benefit enhancements, including an annual bonus system.

Department head classifications that are subject to the Compensation and Benefit program include:

- Assistant City Manager;
- Community Development Director;
- Finance Director;
- Human Resources Director;
- Parks and Recreations Director;
- Police Chief; and
- Public Works Director.

Discussion

The fiscal year 2007-08 survey of comparable department head positions, using the seven cities recommended for labor market comparisons, shows that Belmont's department head salary control points are at or below the defined market median control points by a range of +0.77% to -3.20%. The actual salaries of Belmont's department heads are at or below the labor market median for compensation (salary), by a range of +1.47% to -5.18%.

Note: Control Point survey median data is based on Total Compensation rather than salary

The salary for each position is determined by survey of comparable positions in Burlingame, Foster City, Los Altos, Los Gatos, Menlo Park, Millbrae, and San Carlos. The survey determines the median top step total compensation salary for each position, which will become the control point. The maximum base salary for the position is the control point. The survey will be conducted annually and the control point will be adjusted accordingly.

Individual compensation increases are based on the City Manager's evaluation, and range from below zero for unsatisfactory performance to a maximum amount of 20% for outstanding performance. If the amount of the compensation increase exceeds the control point (maximum base salary), then the amount that is over the control point is paid in the form of an annualized lump sum payment.

The attached Unrepresented Management Employees Compensation and Benefits Program (Exhibit A) outlines the proposed methodology for determining department head compensation in more detail. The recommended control points, which are to be effective as July 1, 2007, are as follows:

<u>Classification</u>	<u>Current Control Point</u>	<u>New Control Point</u>	<u>Percent Change</u>
Assistant City Manager (Vacant) (a)	\$12,735	\$13,657	+ 7.24 %
Community Development Director	\$12,604	\$12,687	+ 0.66 %
Finance Director	\$12,765	\$13,043	+ 2.18 %
Parks and Recreation Director (Vacant)	\$12,105	\$12,492	+ 3.20 %
Police Chief	\$13,335	\$13,657	+ 2.26 %
Public Works Director	\$13,320	\$13,320	N/C
Human Resources Director (Vacant) (b)	\$11,801	\$12,058	+ 2.18 %

(a) Survey City median control point for Assistant City Manager is \$ 12,930. However, this salary would result in the Assistant City Manager making less than three department directors. To avoid this situation should the vacant position be filled, the Assistant City Manager's salary has been set at the highest

department director salary, or \$ 13,657.

(b) There are less than four comparison cities for this classification. Therefore, the Human Resource Director salary is benchmarked to the Finance Director position at .92448 percent of Finance Director Salary.

As noted in the footnotes above, the salary for Assistant City Manager (vacant) has been artificially set at the highest department head salary. If this were not done, the Assistant City Manager would be making less than three department directors. Regarding the Human Resources Director (vacant), the policy requires at least four city comparisons. Since we only have three others in the comparison universe, we used internal alignment with the Finance Director for purposes of deriving a control point adjustment percent.

The Unrepresented Management Employees Compensation and Benefits Program is intended to improve the City's position in the competitive labor market, and help to attract and retain highly qualified and performance-motivated individuals to the City's executive management workforce.

Fiscal Impact

The actual fiscal impact of the potential salary increases will be dependent upon the outcome of the performance evaluations, but may range from less than zero to a 20% increase per classification. The cost of the salary changes will be offset by the fact that three of the seven department head classifications are currently vacant. There are no benefit enhancements. There is sufficient funding in the 2007-08 budgets to accommodate this action.

Public Contact

Posting of City Council agenda. In addition, the proposed amendments to the Compensation and Benefits Plan for Unrepresented Management Employees have been reviewed with department heads.

Recommendation

It is recommended that Council approve the attached resolution authorizing an amendment to the Compensation and Benefits Program for Unrepresented Management Employees effective July 1, 2007.

Alternatives

- 1 Postpone decision pending further deliberation.
- 2 Take no action.
- 3 Other option(s) as determined by Council.

RESOLUTION NO.

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BELMONT
APPROVING AN AMENDMENT TO THE COMPENSATION AND BENEFITS PROGRAM
FOR UNREPRESENTED MANAGEMENT EMPLOYEES**

WHEREAS, the Represented Employee Groups are negotiating changes to compensation levels in the Compensation and Benefit Program For Represented Employees effective July 1, 2007 through the meet and confer process as authorized by the Meyers-Milias-Brown Act; and

WHEREAS, Unrepresented Management Employees Compensation and Benefits program is detailed in Exhibit A, attached requires labor market adjustments; and

WHEREAS, it is appropriate to grant salary increases to the seven unrepresented management employees, which group includes Assistant City Manager; Community Development Director; Finance Director; Human Resources Director; Parks & Recreation Director; Police Chief; and Public Works Director; and

WHEREAS, the City Council has determined that it is appropriate to predicate such salary increases strictly on job performance.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Belmont that SALARY, Section 4. of the Compensation and Benefits Program for the City of Belmont Unrepresented Management Group be amended as set forth in Exhibit A and made a part hereof; and, is effective as of July 1, 2007 and that the City Manager is authorized to sign same on behalf of City.

I hereby certify that the foregoing Resolution was duly and regularly passed and adopted by the City Council of the City of Belmont at a regular meeting thereof held on November 27, 2007 by the following vote:

AYES, COUNCILMEMBERS: _____

NOES, COUNCILMEMBERS: _____

ABSTAIN, COUNCILMEMBERS: _____

ABSENT, COUNCILMEMBERS: _____

CLERK of the City of Belmont

APPROVED:

MAYOR of the City of Belmont

**COMPENSATION AND BENEFITS PROGRAM
FOR THE CITY OF BELMONT
UNREPRESENTED MANAGEMENT GROUP**

The following represents the compensation and benefits granted to the unrepresented management group as authorized and approved by the City Council effective July 1, 2007.

GROUP DESIGNATION

The following positions are included in the unrepresented management group, referred to as Department Heads:

Assistant City Manager
Community Development Director
Finance Director
Human Resources Director
Parks and Recreation Director
Police Chief
Public Works Director

SALARY

1. The salary for each position will be determined by survey of seven comparable cities in San Mateo and Santa Clara County: Burlingame, Foster City, Los Altos, Los Gatos, Menlo Park, Millbrae, and San Carlos.
2. For each position surveyed, a minimum of four comparisons must be available for statistically valid analysis. If less than four comparisons are available, the salary for that position will be determined through internal relationships.
3. The survey will determine the median top step total compensation salary for each position. The median top step salary will become the control point salary for each position. The maximum base salary for the position will be the control point. The salary survey to determine the control point salary will be conducted annually in May.
4. Effective July 1, 2007, the control point monthly salary (as determined per the methodology described above) shall be as follows for department head classifications:

Assistant City Manager	\$13,657(a)
Community Development Director	\$12,687
Finance Director	\$13,043
Human Resources Director	\$12,058 (b)
Parks and Recreation Director	\$12,492
Police Chief	\$13,657
Public Works Director	\$13,320

(a) Assistant City Manager Salary is benchmarked to the highest Department Director

(b) There are less than four comparison cities for this classification. Therefore, the Human Resource Director salary is benchmarked to the Finance Director position at .92448 percent of Finance Director.

The City Manager is authorized to set the department director's salary up to 20% above the control point or 20% below the control point based upon a written performance evaluation to be completed in June of each year. The maximum increase may not exceed 20% above the control point. Unsatisfactory performance may result in a salary decrease. Salary adjustments will be effective July 1 of each year.

6. The amount of the salary adjustment (performance award) will be determined as follows:
Performance Rating Percent Increase Outstanding 16% - 20% Superior 9% – 15% Good 2% – 8% Needs Improvement 0% -1% Unsatisfactory < 0%

If the amount of the performance award exceeds the base salary maximum for the position (the control point), the excess amount will be paid in the form of an annualized lump sum payment.

For example:

<u>Factors</u>	<u>Good Director A</u>	<u>Superior Director B</u>
Current top step	\$12,604	\$ 12,604
% below median	-5.39%	-0.66%
New top step (c.p.)	\$13,283	\$ 12,687
Performance rating	4%	15%
New salary	\$13,283	\$ 12,687
Excess award	\$0	\$ 21,691

BENEFITS

Auto Allowance

Department head classifications are eligible to receive a monthly auto allowance ranging from \$150 to \$300 per month. The City Manager will determine the auto allowance amount for each department head position based on the driving needs for that classification.

Deferred Compensation Plan

The City shall contribute \$140 per month to each employee's deferred compensation account.

Dental Plan The City shall contribute the full cost of dental coverage under the Delta Dental plan on behalf of the employee. The employee may elect to cover eligible dependents at a cost of \$5 per month for an additional dependent and \$10 per month for family coverage.

Flexible Benefit Plan The City shall offer an Internal Revenue Code 125 Plan including premium conversion, health care reimbursement account, dependent care reimbursement account and a cash and/or deferred compensation option.

The City shall contribute the equivalent of the monthly premium for Kaiser family coverage toward each employee's Section 125 Plan components. An employee may use any and all such funds to cover the premium of the health plan choice, as contributions into the health care reimbursement account, dependent care reimbursement account, as cash option and/or contribution to a deferred compensation plan account.

Life Insurance The City will provide basic life and accidental death and dismemberment insurance to department head classifications in the amount of \$200,000.

Long Term Disability Insurance

The LTD benefit is two-thirds of monthly salary up to a maximum monthly salary of \$10,500.

The cost of the long-term disability insurance premium shall be converted to the employee's salary. The employee shall pay the actual monthly cost of the premium on an after-tax basis.

Retirement Plan The City shall contract with the Public Employees Retirement Plan to provide the 2% @ 55 formula for miscellaneous employees and the 3% @ 50 formula for public safety employees. The City will provide the following contract options: Credit for Unused Sick Leave, Industrial Disability Retirement, and Fourth Level of 1959 Survivor Benefits. (Note: the Credit for Unused Sick Leave option is not applicable to Department Heads receiving General Leave in lieu of vacation and sick leave.) The employee pays the 7% employee retirement plan contribution on a before-tax basis, in accordance with Internal Revenue Code Section 414(h)(2).

Retiree Health and Dental Benefits An employee who retires in accordance with PERS regulations after twelve (12) years of service shall be entitled to monthly reimbursement of the expenses he or she incurs for hospital and medical care premiums for his or her individual coverage only, up to a maximum of the amount paid by the City of Belmont for single employee coverage under the Kaiser Health Care Plan. A retiree shall be entitled to participate in the City's dental plan at his or her own cost.

Retiree Health Savings Plan The City will implement a retiree health savings plan for the department head group. Any and all fees associated with this plan will be borne by the plan participants and not the City.

Vision Reimbursement Plan

The City shall contribute to a self-insured vision care program the sum of nineteen dollars (\$19) per month for each employee and eligible dependents for the purpose of reimbursing employees for vision expenses incurred during the plan year.

Professional Development Reimbursement Department head classifications may be reimbursed up to a maximum of \$500 per fiscal year for job-related professional development activities or purchases. Eligible expenses include nontraditional or non-budgeted conference expenses; job-related computer hardware or software; books or other educational materials. City Manager approval is required for such reimbursements.

LEAVES

General Leave

Employees are entitled to general leave as follows:

Hrs. Accrued		
Length of Service	Days of Leave	Per Month
1 through 4 years	22 days	14 2/3 hrs.
5 years	27 days	18 hours
6 years	28 days	18 2/3 hrs.
7 years	29 days	19 1/3 hrs.
